Community Counts

Habitat for Humanity of Lee & Hendry Counties

In May, we celebrated our partnership with [Habitat for Humanity](#) by hosting an employee rally at all eight of our branches. Our team wrote messages to a future homeowner letting her know we're one of many local businesses who support her dream of owning a home. It's important to us that we do our part to bring awareness to the vital work Habitat does in our community and communities all over the world.

In June, a few SanCap Bank team members had the honor and privilege of attending the home dedication where we met the homeowner and her family. Check out more photos from our employee rally and home dedication [here](#).

Lee Health Blood Mobile

In June, we invited Lee Health to bring their Blood Mobile to our Bridge branch. We're happy to report over 20 SanCap Bank team members donated blood! All donations stay right here in our community and just one pint can help save the lives of several people. See photos of some of our awesome team members donating blood [here](#).
