## Community Counts

---

Through our ongoing partnership with [The Foundation for Lee County Public Schools](#)

we collected school supplies for their Education Resource Center this quarter.

The Center was created to collect and store new and reusable items donated by businesses and individuals to benefit teachers, students and their schools. We delivered hundreds of items thanks to the generosity of our customers and employees. Learn how you can donate [here](#).

If you visit any of our locations often or follow us on social media you know how much we love dogs. In December, we teamed up with the [American Heart Association](#) to bring our love of dogs to their 2021 Lee County Heart Walk. Our tent and volunteers were stationed on the walk route to hand out dog (and people) goodies and met lots of new furry friends in the process.

Leading up to the holidays we partnered with the [Dr. Piper Center for Social Services](#) to collect toys for their Annual Christmas Celebration. Once again our customers and employees stepped up and helped us collect hundreds of toys for at-risk kids to receive on Christmas morning.

The weekend before Christmas we also had a group of employees help organize thousands of toys to transform the Center into Santa's Workshop. Learn more about the Center [here](#).

Did you hear the Dunbar High School band was the ONLY Florida high school band invited to perform at the 2022 Chick-Fil-A Peach Bowl? They asked the community to help raise funds and we happily stepping in to help meet their fundraising goals and make their dream performance become a reality. Learn more [here](#).

We continue to support [MidWest Food Bank](#) through the remarkable dedication of our employees to give back. Thank you to our AMAZING team members for always rolling up their sleeves to help others. Learn how you can help MidWest Food Bank [here](#).

Thanks to our friends at [Robbie's Riders](#) and [Grampy's Charities](#) we helped present 15 adaptive bicycles, worth between \$3,000 and \$5,000 to disabled Southwest Florida children at our Bridge branch location in December. Read more about how these bikes change lives [here](#).

For a third year we were honored to be the presenting sponsor for the [Greater Fort Myers Chamber of Commerce's Women In Business APEX Awards](#). This award program celebrates and honors Southwest Florida women who embody outstanding professionalism, philanthropy and leadership.
